COMPANY PROFILE

2026

ABOUT JAI MATAJI DEVELOPERS

Founded in 2011 by Mr. Bhavin Raut, Jai Mataji Developers is a trusted name in the field of civil construction and infrastructure development. With over 15 years of rich industry experience, we specialize in delivering high-quality construction solutions across industrial, commercial, and infrastructure projects. Our commitment to precision, innovation, and client satisfaction has positioned us as a reliable partner for numerous esteemed clients across Gujarat.

VISION

To be recognized as a leading construction company known for its quality, integrity, and on-time project delivery, contributing to the infrastructure growth of India.

MISSION

To consistently deliver superior construction services through innovation, technical excellence, and a customer-centric approach, ensuring sustainable growth and long-term partnerships.

CORE VALUES

- Integrity
- Quality
- Commitment
- Safety
- Innovation
- Customer Satisfaction

KEY STRENGTHS

- Proven track record of timely project completions
- Expertise in handling complex industrial and commercial projects
- Experienced leadership and skilled workforce
- Strong client relationships built on trust and transparency
- Focus on safety, compliance, and sustainable practices

OUR LEADERSHIP

Mr. Bhavin Raut

(Founder & Director)

With a vision to redefine quality standards in the construction industry, Mr. Bhavin Raut founded Jai Mataji Developers in 2011. Backed by over 15 years of hands-on experience in civil construction, he has led the company with a strong emphasis on trust, transparency, and timely project delivery. Under his leadership, Jai Mataji Developers has successfully executed multiple industrial, commercial, and infrastructure projects across Gujarat, Daman, and Maharashtra.

Mr. Raut's leadership style blends technical expertise with a client-centric approach, ensuring every project is executed with precision and dedication. His ability to quickly adapt to industry advancements and mobilize resources efficiently has been instrumental in building long-term relationships with clients and partners.

He believes in fostering a collaborative work culture that encourages innovation, safety, and continuous learning among his team. His on-ground involvement in project execution and keen eye for detail has positioned Jai Mataji Developers as a trusted name in the industry.

LEADERSHIP VALUES

- Visionary Thinking with Practical Execution
- Commitment to Quality & Safety
- Strong Client Relationships Built on Trust
- Continuous Innovation & Process Improvement
- Empowering Teams for Excellence

JAI MATAJI DEVELOPERS

Building Excellence, Delivering Trust

OUR COMMITMENTS

PROVIDING VALUE TO OUR CUSTOMERS

At Jai Mataji Developers, we are dedicated to building long-term, trustworthy relationships through a customer-centric approach. We believe every project begins with understanding our clients' needs. Through effective and innovative brainstorming sessions, we identify cost-effective and time-bound solutions that ensure complete customer satisfaction throughout every phase of the construction process. For us, your satisfaction is the foundation of our success.

ADHERENCE TO TIMELINES

With in-house expertise in civil, structural, and industrial fabrication, we are committed to delivering projects with precision and within the agreed timelines. Our team proactively identifies potential challenges and implements solutions early in the process, ensuring smooth project execution and timely delivery without compromising on quality.

COMMITMENT TO QUALITY

Quality is the cornerstone of Jai Mataji Developers. From sourcing the right materials to meticulous on-site execution, we adhere to the highest standards of workmanship. Every project is handled with utmost care, ensuring that the final outcome not only meets but exceeds client expectations. We take complete ownership and pride in every work we deliver.

SAFETY FIRST

We prioritize the safety and well-being of our workforce. By implementing strict safety protocols and promoting a secure work environment, we ensure that every team member feels protected and valued. Our no-drug and alcohol-free workplace policy is strictly enforced across all sites, fostering discipline and responsibility at every level.

OUR EXPERTISE

Our experience in Industrial Civil Construction, PEB Structures, and Fabrication Work speaks for itself. Over the years, we have successfully completed numerous prestigious projects. The trust and satisfaction of our clients stand as a testament to our capabilities, work ethics, and technical expertise.
